March of Remembrance Dallas is a local chapter of the Christian organization *March of Life*, birthed in Tübingen, Germany, that partners with Hillel at SMU to remember the victims of the Holocaust, stand against anti-Semitism and hate, and reconcile with the Jewish community during the season of Yom HaShoa (Holocaust Remembrance Day). Our march includes a ceremony with music, Holocaust survivors, dignitaries and repentant Nazi descendants. Meaningful scholarships will be awarded to SMU students at the conclusion of our gathering, with a reception immediately following.
